

List of Documents for Receiving a Business Visa of the Kyrgyz Republic

- Valid international passport or a document replacing it (which should be valid at least three months following expiration date of the visa being issued);
- A written application of the inviting party in the Kyrgyz Republic;
- Two copies of the visa application form with photographs.

In case of any doubts, consular offices may request the following additional documents certifying the applicant's right to get a visa:

- Document confirming education;
- Marital status certificate;
- Letter of employment verification and local municipal statement of residence;
- Other documents related to the applicant, his/her welfare, guaranteeing the coverage of any expenses during the applicant's stay in the Kyrgyz Republic (customs and/or tax declarations, attendance records, students' academic transcripts, documents for receiving payment means, invitations with obligations of the inviting party to cover expenses, documents certifying booking and paying for accommodation and meals, etc.).

Visa application documents are submitted in person by foreign citizens or authorized representatives of the inviting parties.
